1. This is time, moment not, second; the time of me now, impressed not; pressed of me being me, me being who I am this moment in like manner, not; exactly per se. I love you/me. I love my body. I am my body. Who else/where else would I be? I love you all.

2. This is the time, moment, and see me as I am, I Am. I love you.
3. In a moment's notice, not; twinkling of an eye. Whose eye? Mine. I love you all/now.
4. In a moment, not; **now and now is/being and reconciling all to me, not; with me, reconciliation of not-me to me.** I love you/thank you. Amen.

5. This is the moment, time, of me not me, not; but wholly me personified in my son, not one, one that many-membered is. I love you.

6. So clear, so powerful, magnificence magnified and who can see me in me, now that I am? Or was I all along, forever? Yes and amen, now and forevermore succored by another, not; nothing surreal or unclean, but only cleanness, perfection, and who can see perfect ones perfect'd? I love you. Those who surrender themselves, in my kingdom; always were, now knowing it/all, being me/each other; oneship the world marvels at, stunned; death ensues, death's. I love you.

7. Keeping it all to yourself, not; you enter at midnight not but now, London, and whoso can see the shearers shearing, not; but sharers sharing? I love you all. All who have eyes/want to see. I love you.

8. This is the moment time, airfleets of only me recognizing my reconnaissance, not; but my who love me who fly like clouds when father desires (1), having given them allness that prevents not, but all recognized/operates in surrender. Fly like who/what? Me/I Am. I love you all now and always.

9. This day I declare my love for/in thee my body, my lovers who love me. In me I am, you are. See! **I'm saying, picturing reality for you my who lost your way/bearings on/in seas of not me. See my course's, my bearing-ometers, my periscopes not; but gyroscoping each other, not; never again**; freedom releases, bears me/my marks, my body is/being. I love you all.

10. Now see not another; me, you, and who my body is, how all fits together; giftless not but not at all like explained traditionally. I love you. See. Revelate me.

Reveal me in loveliness, fearlessness, and fullness of being me, my being, to/in/for/throughout each other, one. I love you.

11. Sense not sane, insane by world's standards of deceit/deception, I give you all unto me in worlds, realms, real; and surreal not; but by my standards all of me, without reserve/limit (2). I've given you my spirit measurelessly, without measure. You are my me, all. I love you. Amen.

12. Go in peace. Mary Tony of me see.

13. Believe the report not of seen, but only me seen I report that I am I Am and all I am you are as you reveal many to me/my side, mind, blood, being, cross, redemption into the priesthood of one/me alone, being each other'd. I love you all.

14. This is my day/deal, realmhood'd of only me, my realm defeats all imposters-trying. Cannot replace me with that which I am/was with thought superior.
15. I am spirit one, day one, seven and seventh not; I am all in one/one in all. Now cross seen, perfection occurs and who can see the resurrection in them? All, all who/that surrender unto my lovership of only me/each other that love is/consists of/in. Thank you all. I love you.

Me.

Thank you.

Amen
